SmartBooqing is an innovative, breakthrough software application which accelerates, simplifies and improves accounting for organizations of all sizes! It offers enhanced invoice processing at line level leading to better quality and lesser manual effort. Whether Scanned or Digital, invoices get processed on an advanced level.

100% Digital

Only solution ensuring all documents are digitised with 100% accuracy, even on line level!. Convenience of scanning complete data from a document. Offers even unseparated, unsorted delivery if required. Smartbooqing is UBL ready and supports all systems for the delivery of digital invoices

200% Automated

Documents, whether incoming or outgoing are distributed automatically and are auditable (with Peppol) Documents are processed automatically including their Codes, Dimensions, Checks and validations

300% More Quality

Best in breed technology ensures documents are processed uniformly on a detailed level, Quality: Invoice lines, discounts, investments and private are always processed correctly. Documents are booked consistently and uniformly Checks, validations and notifications for QC safeguards to maintain high quality

**With Smartbooqing,
it is always a Win-Win for all!**

performance

400% More productivity

Smartbooqing ensures expensive resources can be freed for more critical work while all docs are verified, validated and checked against rigorous standards. Smartbooqing highlights review points - only 20% docs may need a review and as few as 10% may need edits. Much higher quality ensures lesser review and changes saving time. Automatically organizes your administration. Your first invoice will be processed immediately! Offers uniformity across relationships, across the year and, if desired, even across multiple administrations!

Smartbooqing and digital invoicing

Smartbooqing is UBL ready and supports all systems for the delivery of digital invoices. With the SWITCH - Go Digital program you can switch to digital invoice flow in a few steps.

What distinguishes our solution?

- ✓ Expert booking on both simple and advanced invoices.
- ✓ Many advanced features for highly automated processing.
- ✓ Enrichments like cost codes, project codes built in.
- ✓ Autogenerated review summary with checks and alerts
Very high degree of automation results in unmatched quality and productivity.

With Smartbooqing,
it is always a Win-Win for all!
